

Looking to reach users on the leading social media sites?

Our Ad Network delivers over 50 million daily impressions globally across the leading social media sites - connecting you with your target market.

We will deliver your advertisement on custom applications on the top six social networking sites:

Which applications so we serve your ad on?

Match

We match your advertisement with related applications (i.e. Honda Advertisement on the leading social media racing application)

Optimize

Every hour we re-prioritize our inventory such that your advertisement continues to be placed where it is performing

Analyze

We begin collecting and analyzing performance data for every user group on every application within our network

Alexa Global Rankings

- | | | | | |
|-------------|------------|-----------------|-------------|-----------|
| 1. Google | 3. Yahoo | 5. Windows Live | 11. MySpace | 43. Orkut |
| 2. Facebook | 4. YouTube | 6. Wikipedia | 38. hi5 | 58. CNN |
